

Membership Attendance at Board Meetings

In an effort to improve communication and transparency between our members and the FHCY Board, we are pleased to announce that we are adding time to our regular monthly board meetings for our members to share ideas and inquiries related to the betterment of our club. We are calling this our Member Forum and hope it provides you, our members, even more access to the Board.

However, to keep this manageable for all, there are a few rules:

1. We ask that you submit your request via email to the secretary and include a summary of the topic(s) you wish to present to the Board by the 1st of the month prior to the meeting you wish to attend.
2. To accommodate the meeting schedule, only 3 members will be chosen per meeting. The Board will evaluate all requests and prioritize the most pressing topics for each month's Forum. Any requests passed over will be provided an explanation and any further options.
3. Presentation to the Board shall be limited to 5 minutes and therefore should be concise and limited to only constructive ideas and opportunities for improving the Yacht Club which would benefit from this forum.
4. The Board will review all requests and suggestions presented by the selected members during the Member Forum and the presenter will receive a response within 30-days outlining any action(s) taken by the Board on the topics presented.

After presenting, we do ask that presenters exclude themselves from the meeting to allow the Board to continue with their agenda.

We hope that you will consider taking advantage of this new opportunity as we look to continuously improve our club and the enjoyment it brings to its members
