

OCRAFOLK FESTIVAL CRUISE MAY 30-JUNE 4, 2018

THE 19TH ANNUAL OCRAFOLK FESTIVAL

The Ocracoke Festival is a wonderful community event. This island tradition takes place every year the first weekend in June. The festival offers a weekend of great music, storytelling, artists, crafts, family friendly events, an auction, square dance and more in the heart of Ocracoke Village.

We plan on leaving Wednesday, May 30, sailing down to South River for an overnight anchorage with a raft up splash, then proceed over to Ocracoke on Thursday. You can either anchor in Silver Lake or secure a slip at the federal docks or one of the marinas. "Pamlico Star" will be at the Anchorage Marina and be host for the Thursday splash poolside. We plan on returning to either Oriental, River Dunes, or home on Monday following the festival. The festival has a great lineup this year, but even if you are not a music fan, Ocracoke is a wonderful place to visit....come join us for a weekend of music, sun (hopefully), and fun!!

Captains' meeting : Tuesday, May 29, 1000 in Activities Bldg.
