

OCRACOKE CRUISE

SEPTEMBER 22 – 27, 2016

This is a very popular cruise. Some reasons why: It's a great trip by boat. Nice protected harbor. Good restaurants. Partying with your friends. Lots of fun things to do (biking, fishing, walking, shopping, exploring, visit Portsmouth Island, go to beach, or just hang out and relax). We will plan a group dinner at a local establishment and a potluck ashore as well.

The trip is approximately 60 miles. The Park Service docks are "first come, first serve" and our first choice. There are marinas as well and good anchoring in the harbor.

Captains Meeting: Activities Bldg. Rm 2, Wed. Sept. 21, 1000
