

OCRACOKE CRUISE September 2017

Saturday 23rd September to Saturday 30th September (or thereabouts)

Come and join us on our fall cruise to Ocracoke and experience the delights and fleshpots on this delightful island. Explore the beaches or have a trip over to Portsmouth across the other side of Ocracoke Inlet. Portsmouth is reputed to be the only ghost town on the East Coast of the USA.

We plan to leave FH on Saturday 23rd September, gathering in either Lower Broad Creek or South River, depending on the winds, weather and group consensus. On Sunday 24th morning we plan to leave early for Ocracoke, arriving mid to late afternoon. This should provide plenty of time for smaller boats to travel the approximately 38 nm from South River to Silver Lake.

For those of you who can travel the distance from FH in one day we'll meet you in Silver Lake. We can tie up at the Federal Docks, if they are crowded we may need to raft up. The alternative is to anchor out in Silver Lake or to go to the few other commercial docks available. We'll play it by ear when we get there.

Departure from Ocracoke will be entirely up to you.

A SPLASH at the docks or on a boat is a must each day! If the restaurants aren't too crowded there's always that choice.
