

## **MANTEO-OCRACOKE CRUISE**

### **MONDAY, AUGUST 16th - TUESDAY, AUGUST 24th**

This cruise is designed for everybody to see more of the waters and great towns of North Carolina. Being in the middle of the Dog Days of August, we plan on staying at marinas with pools (if possible) when not anchoring out.

The first night we plan to stay at River Dunes and enjoy the great air conditioned facilities and pool. Then it is up the ICW to Belhaven's Dowry Creek Marina with their pool and recently upgraded facilities. Next it is up the ICW and Alligator River Canal to the Alligator River Marina (or nearby anchorage if you choose.) The next day is a short trip over to Manteo to see the sights for 2 days. Then we will travel to Ocracoke for a couple of days, staying at either the US Park Service docks, the Anchorage Inn (with pool,) or anchoring out in Silver Lake. For the record, Pamlico Star will be at the Anchorage Marina so we can use their pool! After a couple of days of clamping, beachcombing, dining, and shopping, we will wind our way back home, stopping at Oriental for one last refreshing pool stop at the Oriental Marina before returning to Fairfield Harbor. It's a great chance to see much of North Carolina from the water.

Since August can be a fairly volatile weather month, we will remain flexible and safe with our itinerary. For example if the wind is favorable from the SW, we might reverse the route from River Dunes and head to Ocracoke first. All will be discussed at the captain's meeting the week prior. Leigh and I as your cruise directors will make reservations when we stay at marinas. Whether a first timer or repeat visitor to Manteo and Ocracoke, join us for a fun time of cruising and fellowship!
